Pure Elan Connect+: The plus in acoustic

Elan Connect+ combines the best of digital radio, wireless music streaming and stereo sound, at an affordable price point. With access to stations anywhere around the world, seamless Bluetooth connectivity, Elan Connect+ provides unparalleled listening choice. Bluetooth connectivity and the latest in advanced audio technology from Pure will bring a new level of enjoyment to your favourite music and audio. The vivid full colour display and a clean button layout make it quick and easy to navigate the Elan Connect+. Plus, this portable radio can be moved and enjoyed in any room – filling your home with music and radio you love.

More stations, digital quality
DAB+ digital radio brings you a diverse range of great content in highly-detailed, digital-quality sound; much of which is only available on digital radio. Elan Connect+ automatically finds all available digital stations in your area for an easy listening experience, plus there's FM radio for any station that has not yet gone digital.

World radio
With access to more than 25,000 internet radio stations from around the world, there will always be something that suits your mood.

Bluetooth connectivity
Elan Connect+ can be used as a stereo wireless speaker with your laptop, smartphone or tablet devices. Simple to connect and control, Elan Connect+ will allow you to enjoy your radio, podcasts, music apps and more in rich stereo sound.

Great quality stereo sound
Elan Connect+ delivers high-class stereo audio performance. Listen to your favourite stations and personal playlists through the punchy 2x3W stereo speaker, combined with a digital amplifier to ensure crisp and natural audio. Adjustable bass/treble controls enable you to tweak the sound to your personal preference, giving you complete control over your listening experience. Save your personal preferences in My EQ or use any of the other available 8 EQ settings.

Colour screen
Elan Connect+ has a vibrant and informative 2.4” full colour TFT display. The ultra-clear screen makes accessing the growing number of digital radio stations a breeze. View your favourite station’s information and slideshow artwork in full colour.

Simple to use
Practical button layout and a vibrant display makes operating Elan Connect+ a hassle-free experience. Browsing menus, selecting stations and adjusting settings are both simple and intuitive.

For around the home
The portable Elan Connect+ can be powered by the supplied USB power cable or with 4xAA batteries, making it perfect for a range of different locations around the home. Elan Connect+ includes features such as alarms and sleep timers.

Packed full of features
With a total of 20 station presets per source and 3 quick access buttons, you can easily find your favorite station on Elan Connect+. With an added headphone output, you can also listen privately without disturbing others.

Designed and engineered in the UK
Like all our products, Elan Connect+ was designed and engineered in the UK by Pure’s expert product teams.
