PRODUCT DETAILS

A Music System for Life
Experience a compact powerhouse of information and entertainment with the Evoke Spot music system. Designed to fit on any bookshelf, this small-format companion brings essential functions and high-quality audio to your home. Whether it’s the perfect background music for your home office, kitchen, or bathroom, the Evoke Spot has you covered with your favorite radio stations or Spotify playlists.

Diverse Tastes, Diverse Radio Stations
The Evoke Spot is a smart radio system that caters to all reception types. It combines traditional FM radio, digital DAB radio, and Internet connectivity for a robust listening experience. With over 85,000 Internet radio stations and podcasts available globally, the Evoke Spot ensures you always have something to listen to, even if FM/DAB+ signals are weak.

Listen to What You Want, When You Want
The Evoke Spot supports streaming services like Spotify, Amazon Music, Tidal, Apple Music, and Deezer via Bluetooth, ensuring access to all your favourite content.

User-Friendly for Everyone

Despite its compact size, the Evoke Spot offers intuitive controls. Save favourites, skip songs, and explore settings easily with surface buttons and a foldable display under a large LCD screen. Its versatile design fits seamlessly into any room.

Delivering Inspiring Sound
With 20W of audio power, the Evoke Spot fills even large rooms with rich sound. A 3-inch full-range speaker and bass reflex port deliver powerful audio from sources like Bluetooth, Internet radio, DAB+, and FM.
