PRODUCT DETAILS

A music system for life

Information and entertainment compactly packed on a bookshelf: That's the small-format Evoke Spot music system. Reduced to the most important functions and audio content in an efficient design, the Evoke Spot is a reliable, easy-to-place companion for the home that provides the right background music for your home office, kitchen or bathroom. Whether it's your favourite radio station during work or your Spotify playlist while cooking, the Evoke Spot always provides the right background music.

Tastes are different, radio stations too

The Evoke Spot is not only very smart in its format, but also a smart radio. As such, the Evoke Spot is ready for any reception quality, combining traditional analogue radio (FM), digital radio (DAB) and Internet connectivity for an even more reliable and robust listening experience. A smart radio offers more options, more robust radio reception, on-demand audio streaming of podcasts and the ability to easily make sure the device stays up to date with updates. In the unlikely case of poor FM/DAB+ signals, the Evoke Spot is prepared with over 85,000 Internet radio stations and podcasts from around the world via through Internet connection.

Turn up the music

As a modern music system, the Evoke Spot also offers Spotify Connect, which can be selected as an audio source directly on the unit. Simply connect your phone, laptop or tablet to the same Wi-Fi network as the Evoke Spot, click on a song in the app, select the Spot as an available device and start listening.

Listen to what you want, when you want

For other streaming services such as Amazon Music, Tidal, Apple Music or Deezer, the Evoke Spot offers Bluetooth access to your favourite content.

Easy to use for everyone

Despite the compact size of the music system, it offers clever operating solutions. Save favourites or fast-forward a song using the buttons on the surface of the device. A foldable display reveals further operating options and settings hidden under a large, informative LCD screen. With its compact design and easy placement, the Evoke Spot blends perfectly into any room, no matter what size.

Delivering the sound that inspires

With a surprising 20W of audio power, the compact Evoke Spot music system can fill even the largest rooms with sound. A 3 inch full-range speaker and bass reflex port bring sound from the shelf straight to the heart via Spotify Connect, Bluetooth, Internet radio, DAB+ and FM.

Designed for every living space

The Evoke Spot Wood Edition packages modern sound in such a compact form that has never been seen before. The music system fits seamlessly onto a bookshelf, a kitchen corner or a dresser in the hallway. Easily placed sound for any home without the need for much measuring and pondering. Because the Evoke Spot has a place in every home.

The Evoke Spot Wood Edition is covered on the front with a warm cherry wood speaker grill that seems to deliver a warmer sound.

In Cotton White with cherry wood grill - setting a clean accent with the lightness of fresh linen combined with natural wood.
