PRODUCT DETAILS

Discover the Elan One² Digital Radio: Superior Sound and Versatility
More Stations, Digital Quality
Experience a diverse range of content with DAB+ digital radio, offering highly detailed, digital-quality sound. Elan One² automatically scans and finds all available digital stations in your area, ensuring an effortless listening experience. Additionally, enjoy FM radio for any stations not yet available in digital format.

Bluetooth 5.1 Connectivity
Effortlessly connect your smartphone, laptop, or tablet to Elan One² via Bluetooth 5.1, transforming it into your personal wireless speaker. Stream your favourite playlists from any app in high-quality digital sound.

Exceptional Sound
Elan One² delivers impressive audio performance from a compact design. The full-range speaker, powered by an analogue amplifier, ensures loud and clear audio, making all music genres sound incredible.

LCD-Display
Featuring a backlit 2.2” monochrome LCD display, Elan One² makes navigating the growing number of

digital radio stations a breeze.

User-Friendly Design
Elan One²'s practical button layout ensures a pleasurable and intuitive user experience. Browse menus, select stations, and adjust settings with ease.

Versatile Home Use
Elan One² is perfect for various locations around your home, with features such as alarms and a sleep timer. It can be powered by the supplied power cable or with 4xAA batteries.

Feature-Packed
With 10 station presets (5 each for DAB+ & FM), finding your favourite station is easy. Plus, the added headphone output allows for private listening without disturbing others.
