PRODUCT DETAILS

The minimalist Pure radio for everyday listening

Elan One is the practical and contemporary radio from Pure, with DAB+ and FM allowing you to listen to all your favourite radio stations in crystal-clear quality. The vibrant colour display and simple controls makes accessing stations and using Elan One a joyful experience. Truly versatile, with the option of being powered by USB or battery, Elan One can be enjoyed anywhere in or out of the home.

More stations, digital quality

DAB+ digital radio brings you a diverse range of great content in highly-detailed, digital-quality sound; much of which is only available on digital radio. Elan One automatically finds all available digital stations in your area for an easy listening experience, plus there’s FM radio for any station that has not yet gone digital.

Bluetooth connectivity

Simply connect your smartphone, laptop or tablet devices to Elan One to use as your personal wireless speaker. Stream your favourite playlists from any app in high-quality digital sound.

Great sound

Elan One produces surprising audio performance from a compact form factor. A 3-watt full range speaker powered by a digital amplifier ensures audio plays loud and clear. With 8 EQ settings, including your own personal mode, you can easily tweak the audio output to make all genres of music sound amazing.

Colour screen

© 2026 ATS trade & service GmbH. All rights reserved. Note: Specifications and design are subject to change

Elan One has a vivid and informative 2.4” full colour TFT display. The vibrant screen makes accessing the growing number of digital radio stations a breeze. View your favourite station’s information and slideshow artwork in full colour.

Simple to use

A practical button layout and large vibrant display makes operating Elan One a pleasurable experience. Browsing menus, selecting stations and adjusting settings is simple and intuitive.

For around the home

Elan One includes features such as alarms and sleep timer, making it perfect for a range of different locations around the home. Elan One can be powered by the supplied USB power cable or with 4xAA batteries.

Packed full of features

With a total of 20 station presets per source and 3 quick access buttons, you can easily find your favorite station on Elan One. With an added headphone output, you can also listen privately without disturbing others.
