

Classic Active - The TV / HiFi / Radio Sound System, White/Oak

254589

SRP £249.99

A premium, integrated stereo system that delivers room-filling sound and exceptional connectivity in a charming two-unit design.
Features:

- Active stereo system with one powered main unit and one passive speaker for true stereo separation
- All the modern inputs you need: HDMI ARC for TV connection, Optical, Bluetooth 5.3, and USB-C soundcard
- Radio tuning with DAB+ and FM, supporting up to 40 station presets
- Intuitive control via a remote and a high-contrast OLED display
- Flexible setup with L/R switch for optimal speaker placement and an AUX RCA input

Experience the Classic Active, a contemporary stereo system built for the modern home. Combining a powerful main unit and a passive partner speaker, it delivers immersive stereo sound with a focus on both audio quality and sophisticated connectivity. Seamlessly connect to your TV via HDMI ARC, stream from any device using Bluetooth 5.3, or enjoy radio with the DAB+/FM preset memory. Finished in elegant Cotton White/Oak or classic Black, the Classic Active is a high-performance, integrated audio solution designed to look as good as it sounds.

Premium Design That Elevates Any Room
Choose between elegant Cotton White/Oak or timeless Black to match your home. The twounit setup offers the warmth of modern Scandinavian-inspired design and blends naturally into shelves, sideboards, and living spaces.

Seamless TV Connection via HDMI ARC
Upgrade your TV sound instantly with hasslefree HDMI ARC. One cable gives you clear dialogue, balanced sound, and simplified control – your TV remote adjusts the volume, making movie nights easier than ever.

DAB+ & FM Radio with 40 Station Presets
Listen to crisp digital DAB+ or classic FM radio with fast tuning and up to 40 favourite presets. From morning shows to evening talk programs, your goto stations are always one button away.

Modern Streaming with Bluetooth 5.3
Connect your phone, tablet or laptop with stable, lowlatency Bluetooth 5.3. Enjoy responsive playback, strong wireless range, and effortless pairing – perfect for streaming playlists and podcasts.

Versatile Inputs for Every Device
Classic Active fits into any setup with USBC soundcard, Opticalin, AUX RCA, and Subwoofer Out. From turntables to consoles to laptops, it adapts to your audio life with flexibility and simplicity.

OLED Display & Remote for Easy Control
A sharp, highcontrast OLED display shows sources, radio stations, and settings clearly – even from across the room. Use the included remote to adjust EQ, switch inputs, or navigate menus with ease.
