PRODUCT DETAILS

More Than Just a Digital Radio
Unlock the versatility of the Classic H4, meticulously designed in the UK to surpass traditional radio expectations. With its advanced connectivity options and superior craftsmanship, the Classic H4 offers an immersive audio experience tailored to modern lifestyles.

Simply Good Sound
Enjoy superior sound quality: Boasting a powerful mono speaker with 10-watt audio power, driven by a 3" full-range driver, this digital radio delivers crisp, great sounding audio day in day out.

Easy Access of Different Radio Stations
Explore a vast array of radio stations effortlessly. Equipped with DAB+ digital radio and FM antenna reception, the Classic H4 provides seamless access to a diverse range of channels, catering to all tastes.

Listen to Your Favourite Sources
Expand your audio horizons beyond radio: Featuring advanced Bluetooth 5.3, USB, and AUX connectivity options, this digital radio allows you to enjoy music from various sources with ease, providing flexibility and convenience in your kitchen.

Functions That Come in Handy
Elevate your audio experience with intuitive features. Utilize the Kitchen Timer for precise cooking control, set the Alarm to stay organized, or unwind effortlessly with the Sleep Timer function. With the Classic H4, multitasking in the kitchen has never been easier.

Fits in Every Classic or Modern Living Space
Elevate your home décor with the timeless elegance of the Classic H4. Designed to seamlessly blend into both classic and modern living spaces, this digital radio features a compact form factor and is available in two sophisticated colour options with a popular wooden finish: choose between the bright Cotton White/Oak or the sleek Coffee Black/Walnut. Add a touch of warmth and modernity to any room.

Bright 2.4" Colour TFT Display
See everything clearly on the vibrant display—track names, sources, radio stations, and settings are all easy to read, even from across the room. Displayed imagery (such as radio station logos or album artwork) is dependent on data broadcast by local radio stations and may vary by location.

What's in the box

- Classic H4
- Power cable (1.5m)
- Quick Start Guide
- Safety Sheet
- Feedback Flyer
