alarm or sleep timer. The sunrise function gradually increases light to simulate a natural wake-up.

Natural Sounds, including White Noise
You can choose from 20+ themed soothing sounds, including white noise, to create a tranquil sleep environment. Moment Charge's integrated natural sounds support restful sleep and gentle wake-ups.

Dimmable Clock Display
The fully dimmable monochrome LCD (192x32) clock display minimizes light disruption, promoting better sleep hygiene. The display can be completely turned off for a distraction-free environment.

Alarm Features
With 10 customizable alarms, Moment Charge lets you set wake-up routines and preview upcoming alarms easily. Various backups, including an emergency battery, ensure you never miss a wake-up call.

Wireless Charging
Moment Charge features an advanced wireless charging pad, allowing effortless recharging of your smartphone.

Great Product Design
Available in Cotton White and Coffee Black, Moment Charge's sleek design complements any decor. Its optimized format and intuitive controls make it a stylish and functional bedside addition or desktop companion.

Power supply + Battery
Moment Charge is powered by mains (power cable length 1.4 m) and features an emergency lithium battery (5 g). This non-rechargeable battery is designed to ensure you don't miss a crucial alarm during a power outage, particularly at night. The battery only engages when the main power is interrupted. It can be easily replaced when empty by unscrewing the battery cover and inserting a standard CR2032 button battery.

Input connectors
USB-C for software updates & charging
