PRODUCT DETAILS

Your audio companion for mindful moments
Enhance your bedroom quality time with Moment, an audio device designed for modern lifestyles. Combining modern technology aspects and thoughtful design, it addresses every bedroom need, from falling asleep to waking up refreshed.

Great Sound
Moment’s 5W speaker ensures exceptional sound quality at low volumes, ideal for both, sleep and daytime use. Enjoy crystal-clear audio via Bluetooth 5.3, DAB+, and FM radio.

Dimmable Light
The integrated night lamp is fully dimmable and programmable, providing gentle, adjustable lighting. The sunrise function gradually increases light to simulate a natural wake-up.

Natural Sounds, including White Noise

environment. Moment’s integrated natural sounds support restful sleep and gentle wake-ups.

Dimmable Clock Display
The fully dimmable monochrome LCD (192x32) clock display minimizes light disruption, promoting better sleep hygiene. The display can be completely turned off for a distraction-free environment.

Alarm Features
With 10 customizable alarms, Moment lets you set and preview wake-up routines easily. Various backups, including an emergency battery, ensure you never miss a wake-up call.

Great Product Design
Available in Cotton White and Coffee Black, Moment’s sleek design complements any decor. Its compact form and intuitive controls make it a stylish and functional bedside addition or desktop companion.

Power supply + Battery
Moment is powered by mains (power cable length 1.4 m) and features an emergency lithium battery (5 g). This non-rechargeable battery is designed to ensure you don't miss a crucial alarm during a power outage, particularly at night. The battery only engages when the main power is interrupted. It can be easily replaced when empty by unscrewing the battery cover and inserting a standard CR2032 button battery.

Input connectors
Micro-USB for software updates only
