PRODUCT DETAILS

More Than Your Regular Stereo System
Designed in the UK, our stereo music system offers more than just great sound. With its stylish wooden look and versatile connectivity options, it's a statement piece for any audio enthusiast.

Great Stereo Sound
Experience immersive audio with our stereo system's 2 passive speakers, featuring a 1x 1.25” soft dome tweeter and 1x 6.5” woofer, delivering 100 watts of power for rich, room-filling sound.

Internet Radio for global access and your local DAB+ and FM stations on shortcut as well.
Enjoy uninterrupted listening with internet radio, DAB+ digital radio, and UKW/FM antenna reception, ensuring a stable connection to your favorite radio stations.

Listen to Many Favorite Sources

Dive into endless entertainment options with streaming via Spotify Connect, podcasts, CDs, Bluetooth 5.2, USB, AUX, and phono/TT ports, allowing you to enjoy all your favorite sources in one place.

Features that come in handy
Simplify your listening experience with convenient features like alarm and sleep timer settings, dimmable display as well as 20 presets per source. We also included an equalizer and a special "Night" mode that will allow you to listen without waking up the kids or neighbours with heavy bass.

Fits in Every Living Space:
Our stereo system's sleek form factor and two available color shades (bright Cotton White/Oak and dark Coffee Black/Walnut) make it a perfect fit for any classic or modern living space, whether placed on a shelf or used as a stand-alone centerpiece.

Bright 2.4" Colour TFT Display
See everything clearly on the vibrant display—track names, sources, radio stations, and settings are all easy to read, even from across the room. Displayed imagery (such as radio station logos or album artwork) is dependent on data broadcast by local radio stations and may vary by location.
