

Evoke One - Your beautifully crafted internet radio with Bluetooth, Walnut

255789

SRP 250,00 €

Exceptional sound wrapped in a beautifully crafted real wood cabinet. Stream Internet radio, podcasts and Bluetooth audio, or tune into DAB+/FM stations, all through one elegant system. The premium speaker system delivers rich, detailed sound with outstanding clarity.
Features:

- Versatile Listening: Enjoy endless entertainment via digital DAB+/FM radio, internet stations, worldwide podcasts, or seamless Bluetooth 5.3 streaming.
- Sophisticated Design: A beautifully crafted, real-wood cabinet with modern, touch-sensitive controls, that enhances any living space.
- Powerful Audio: Experience first-class, rich sound driven by a high-performance 40W 2-way speaker system.
- Thoughtfully Designed: Integrated alarms, a kitchen timer and sleep timer add convenience to every day.
- User-Friendly Navigation: Effortlessly browse your music with 150 combined station presets and a vibrant 2.4” TFT colour display.

The Evoke One is the perfect companion for listeners who value timeless style, compact versatility, and exceptional sound quality in their daily life.

Global Internet Radio, DAB+ & FM
Access a world of audio with seamless Wi-Fi connectivity. Discover over 80,000 global Internet radio stations and podcasts, or switch to crystal-clear local broadcasts via digital DAB+ and traditional FM. Whether you're listening to morning news, niche music genres, or international talk shows, Evoke One brings endless radio choices straight into your home with effortless digital tuning.

Premium Real-Wood Design & Touch Controls
Available in Birch, Walnut, and Black, the Evoke One features an authentic furniture-grade real-wood cabinet that fits seamlessly into design-led kitchens, living spaces, and studies. The sleek front panel incorporates laser-engraved touch-sensitive controls with audible touch feedback and a tactile metal volume encoder for smooth, effortless operation.

Rich, Room-Filling Acoustics
Don't let its compact size fool you. Evoke One features a dedicated 2-way speaker system powered by a 40W digital amplifier. A 1.5" Balanced-Mode Radiator (BMR) driver delivers crisp, ultra-wide sound dispersion, paired with a 3.5" woofer and passive radiator for deep, punchy bass. Choose from 4 custom EQ settings (Dynamic, Comfort, Neutral, Custom) to tailor the sound to your taste.

Modern Wireless & Physical Inputs
Streaming your personal playlist is effortless thanks to advanced Bluetooth 5.3, offering rock-solid connection stability and minimal latency. For traditional audio gear, plug in via the 3.5mm AUX input, or play audio directly from USB storage drives using the integrated USB-C port. Evoke One adapts seamlessly to whatever device or media source you choose.

Intuitive 2.4" Colour Display & 150 Presets
A vibrant 2.4" TFT colour display presents station logos, album artwork, and track information with exceptional clarity. Easily save and access your go-to channels using the 4 dedicated direct preset buttons on the panel, or store up to 150 combined presets across Internet Radio, DAB+, and FM.

Smart Everyday Helpers & Full Remote Control
Outfitted with handy features including a built-in alarm, sleep timer, and a dedicated kitchen timer, Evoke One is as functional as it is stylish. Relax on the sofa or move around the kitchen while maintaining total control of your music with the included remote control.

What's in the box?

- Evoke One
- Power cable (mains, UK/EU pin)
- Remote control (+ AAA batteries)
- Quick Start Guide
- Safety Information Sheet
- Product Feedback Card
