PRODUCT DETAILS

Pure Elan Connect: The All-In-One Internet Radio
Discover a world of music and radio with the Elan Connect radio. With access to DAB+/FM radio, Internet radio stations anywhere around the world and seamless Bluetooth connectivity, Elan Connect provides unparalleled listening choice. The radio comes with a vivid full colour display and a clean button layout, making it quick and easy to navigate. With the option to be powered by a USB cable or batteries (4 x AA), Elan Connect can be moved to any room and will fill your home with the radio and music you love.

More stations, digital quality
DAB+ digital radio brings you a diverse range of great content in highly-detailed, digital-quality sound; much of which is only available on digital radio. Elan Connect automatically finds all available digital stations in your area for an easy listening experience, plus there’s FM radio for any station that has not yet gone digital.

World radio
With access to more than 25,000 Internet radio stations from around the world, there will always be something that suits your mood.

Bluetooth connectivity
Simply connect your smartphone, laptop or tablet devices to Elan Connect to use as your personal wireless speaker. Stream your favourite playlists from any app in high-quality digital sound.

Great quality sound
High-quality audio comes as standard with Elan Connect. Listen to your favourite stations, podcasts and personal playlists through the 3W speaker, combined with the digital amplifier to ensure crisp and natural audio. Adjustable bass/treble controls enable you to tweak the sound to your personal preference, giving you complete control over your listening experience. Save your personal preferences in My EQ or use any of the other available 8 EQ settings.

Quick and intuitive controls
View station information and album artwork in full colour with Elan Connect's 2.4" TFT display. This combined with the simple and clean button layout makes navigating through Elan Connect a breeze.

For around the home
The portable Elan Connect can be powered by the supplied USB power cable or with 4xAA batteries, making it perfect for a range of different locations around the home. Elan Connect includes features such as alarms and sleep timers.

Packed full of features
With a total of 20 station presets per source (DAB+, FM, Internet) and 3 quick access buttons, you can easily find your favorite station on Elan Connect. With an added headphone output, you can also listen privately without disturbing others.

Designed and engineered in the UK
Like all our products, Elan Connect was designed and engineered in the UK by Pure's expert product teams.
