- Portable speaker delivers powerful 10-watt sound, offering rich, warm audio for both music and spoken word.
- Enjoy up to 14 hours of playtime with its long-lasting, built-in rechargeable battery.
- Designed for rugged durability, it features an IP67 rating, making it dustproof and waterproof for outdoor use.

Woodland, the EISA award-winning outdoor speaker, is designed for your outdoor adventures. This rugged, waterproof Bluetooth speaker pairs seamlessly with your phone and offers DAB+/FM radio with 6 presets. Its unique oval shape and reinforced bumpers make it easy to use and durable, perfect for worry-free gardening or camping. With up to 14 hours of battery life, Woodland is your ideal companion for any outdoor activity, indoor workshop tinkering, or cooking sessions

PRODUCT DETAILS

Powerful Rich, Warm Audio

Experience rich, warm sound at all levels with the 10-watt dual acoustic speakers, perfect for both music and spoken word.

Long Battery Runtime

Enjoy up to 14 hours of playtime with the built-in battery, allowing you to take the Woodland speaker anywhere you want.

Portable and Easy to Carry

Featuring a soft webbing carry handle, the Woodland speaker is easy to grab and go or hang from a convenient peg.

Robust and Sturdy Design

With reinforced bumpers and IP67 dust and waterproof rating, the Woodland speaker is built to withstand outdoor conditions and small accidents.

Preset Buttons

Easily access your favorite stations with 3 preset buttons, each storing 2 programs (1 DAB+ and 1 FM), totaling 6 presets.

User-Friendly Interface

Simplified technology and an intuitive user interface make the Woodland speaker easy for the whole family to use.

Bluetooth 5.1 with DAB+ and FM

Stream your favorite music via Bluetooth 5.1 or switch to DAB+ and FM to give your smartphone a break.

Easy Wipe-Clean Fabric

The soft, easy-to-clean fabric of the Woodland speaker ensures easy maintenance.

Clear Display

The 128 x 32 dot matrix display is backlit and manually adjustable for clear visibility in direct sunlight.

Power Supply

The Woodland speaker includes a mains power supply with an integrated rechargeable lithium battery pack for up to 14 hours of playtime.

Input Connectors

USB-C for software updates and charging only.

Battery

The built-in 4000mAh 3.7V 14.8Wh battery ensures long-lasting performance.
