PRODUCT DETAILS

Great quality sound
High quality audio comes as standard with Elan IR5. Listen to your favourite stations and personal playlists through the punchy 4W speaker, combined with the digital amplifier to ensure crisp and natural audio. Adjustable bass/treble controls enable you to tweak the sound to your personal preference, giving you complete control over your listening experience.

World radio
With access to more than 25,000 internet radio stations from around the world, there will always be something that suits your mood.

Bluetooth connectivity
Simply connect your smartphone, laptop or tablet devices to Elan IR5 to use as your personal wireless speaker. Stream your favourite playlists from any app in high quality digital sound.

Completely connected
With Spotify Connect you are in complete control of your Spotify library. Use the Spotify app on your smart device as a remote to adjust volume, skip tracks or play something new. Spotify Connect creates a direct connection between your Elan IR5 and Spotify, meaning your phone is free to make calls, watch videos or even go out of Wi-Fi range without any interruption to your music.

For around the home
Elan IR5 includes features such as alarms, sleep and kitchen timers, making it perfect for a range of different rooms and scenarios around the home. Elan IR5 can also be powered by the mains or by batteries (4 x AA) meaning Elan IR5 can be moved around the home with ease.

Packed full of features
With a total of 12 station presets and 4 quick access buttons, you can easily find your favourite station
