AllIn Connectivity – Bluetooth5.3, USB & AUX
Stream playlists wirelessly with the latest Bluetooth5.3 for rocksolid range, plug in a flash drive via USBA, or connect devices through the 3.5mm AUXin. However you listen, the ClassicH6 brings out the best in every source.

Intuitive 2.4 Colour Display & Remote
A vivid TFT screen displays album art, station logos, and clear, easy-to-read menus, while the included remote (batteries in the box) lets you control volume, tracks, and settings from the comfort of your sofa. Displayed imagery (such as radio station logos or album artwork) is dependent on data broadcast by local radio stations and may vary by location.

Timeless Wood-Style Cabinet in Two Finishes
Choose Cotton White / Oak for Nordic minimalism or Coffee Brown / Walnut for warm vintage vibes. The wooden cabinet doesn’t just look refined, it’s acoustically tuned for a natural, detailed sound.

Everyday Smartness – Alarms, Sleep & Kitchen Timers
Wake up gently with dual alarms, drift off using the auto sleep timer, or keep dinner on track with the builtin kitchen timer. The ClassicH6 integrates seamlessly into your daily routine, turning great audio into a lifestyle upgrade.

Plug&Play Reliability – Telescopic Antenna, CE/UKCA Approved
A sturdy telescopic antenna locks onto stations, while CE, UKCA & RCM approvals guarantee safe, longterm performance. With replaceable AAA batteries in the remote, and a universal 100–240V mains supply, you’re set for years of listening pleasure.
