Colour

PRODUCT DETAILS

Evoke H6 combines the best of digital radio with wireless music streaming in superior stereo sound. Bluetooth connectivity and the latest in advanced audio technology from Pure will bring a new level of enjoyment to your device's music and applications. The large, ultra-clear screen allows you to view radio programme information and artwork in full colour. Evoke H6 is available in a classic oak finish.

More stations, digital quality

DAB digital radio brings you a diverse range of great content in highly-detailed, digital-quality sound much of which is only available on digital radio. Digital radios automatically find all your available stations and let you select them by name, and there’s also FM for any station that have not yet gone digital.

Evoke H6 is also Digital Tick approved so you can be rest assured that your radio is ready for any future FM to digital radio switchover.

Bluetooth connectivity

Evoke H6 can be used as a stereo wireless speaker with your laptop, smartphone or tablet devices. Simple to connect and control, Evoke H6 will allow you to enjoy your favourite TV shows, movies and music apps in high detailed stereo sound.

Superior stereo sound

Evoke H6 uses our latest speaker technology previously found in the premium Evoke C-D range. A pair

of speakers driven by two channels of high powered class D amplification delivers class-leading stereo audio performance. The rear of the rigid enclosure and acoustic port have been designed to ensure great sound wherever you choose to position it, whether it’s against a wall, on a worktop or shelf.

Colour screen

Evoke H6 has a vibrant and informative 2.8” full colour TFT display. The large, ultra-clear screen makes accessing the growing number of digital radio stations a breeze. View your favourite station’s information and slideshow artwork in full colour

Slideshow artwork

An increasing number of digital radio stations are broadcasting artwork and programme information. Evoke H6 can display this visual content in full screen and full colour.

Simple to use

Practical button layout and a vibrant display makes operating Evoke H6 a pleasurable experience. Browsing menus, selecting stations and adjusting settings are both simple and intuitive.

Alarm and clock

Evoke H6 includes an automatically updating clock and two alarms. With Evoke H6 you are able to wake up to your favourite radio station or tone alarm.

Snooze Handle

When the alarm sounds, a simple touch the handle will allow you to snooze.

Additional connections

Evoke H6 includes a headphone output for private listening and an auxiliary input for connecting to any device.

ChargePAK

Evoke H6 can be powered by the supplied main adapter or with the optional ChargePAK F1. This ChargePAK will give you up to 50 hours of truly portable listening.

Designed and engineered in the UK

Like all our products, Evoke H6 was designed and engineered in the UK by our expert engineering teams, ensuring great sound and impressive build quality.
