Elan Sleep - Your trusted clock radio with Bluetooth, Sand

256152

SRP £59.99

Upgrade your bedside with the Elan Sleep, a modern, soft-shaped clock radio designed to replace your smartphone alarm. It brings premium design, superior sound, and effortless usability together in one affordable package.
Features:

- Smart Display: Large, easy-to-read screen with an integrated light sensor for automatic dimming.
- Best-in-Class Stereo Sound: 2x 1.5” full-range drivers (6W) deliver a rich listening experience.
- Versatile Audio: Features DAB+/FM radio, Bluetooth streaming, and a handy headphone output.
- Bedside Conveniences: Built-in ASA, a dedicated power supply, and practical USB-C charging.

Available in sleek Black or warm Sand, the Elan Sleep brings the perfect blend of style and performance to your nightstand.

PRODUCT DETAILS

Smart, Auto-Dimming Display
The large, ultra-legible screen features an integrated light sensor that automatically dims at night, ensuring your bedroom stays dark for a restful sleep while remaining perfectly readable by day.

Tailored Dual Alarms & Snooze
Set separate wake-up schedules for weekdays and weekends with your choice of DAB+ radio, FM, or buzzer alarm, paired with an easy-to-reach snooze button for gentle mornings.

Convenient Nightstand USB-C Charging
Power up your smartphone or accessories overnight via the integrated USB-C output (5V 0.5A), keeping

your bedside free of extra wall plugs and cables.

Best-in-Class Stereo Sound
Dual 1.5” full-range drivers with 6W output deliver surprisingly rich, full audio - perfect for morning news broadcasts, podcasts, or music.

DAB+, FM & Bluetooth 5.3 Streaming
Tune into digital DAB+ or traditional FM radio with 40 station presets each, or stream your favourite bedtime playlists and audiobooks directly from your phone.

Sleep Timer & Headphone Output
Drift off to your favorite stations using the programmable sleep timer, or plug in headphones for private late-night listening without disturbing your partner.
