Portable Design with Rechargeable Battery
Elan Move is built for life on the go with a compact, lightweight body that fits easily in pockets or bags. The integrated, removable 1,800 mAh rechargeable battery provides up to 16 hours of wireless listening wherever you are.

Clear Sound from a FullRange Speaker
Despite its size, Elan Move delivers impressively clear audio from its 2" mono fullrange driver with 1.5 W output. Perfect for radio, spoken word and everyday listening at home or outdoors.

Easy-to-Read Display
The bright 1.4" LCD matrix display shows stations, settings and playback information clearly, even outdoors or on the move. Browsing and selecting stations becomes quick and intuitive.

Simple, UserFriendly Controls
Elan Move is designed for effortless everyday use, with clearly arranged buttons directly on the device. Adjust volume, change stations and switch sources with ease - no learning curve required.

Private Listening Anytime
With the builtin headphone output, you can enjoy your favourite radio shows and music without disturbing others. Ideal for commuting, latenight listening or quiet spaces.
