### PRODUCT DETAILS

#### Powerful Rich, Warm Audio

Experience rich, warm sound at all levels with the 10-watt dual acoustic speakers, perfect for both music and spoken word.

#### Long Battery Runtime

Enjoy up to 14 hours of playtime with the built-in battery, allowing you to take the Woodland speaker anywhere you want.

#### Portable and Easy to Carry

Featuring a soft webbing carry handle, the Woodland speaker is easy to grab and go or hang from a

convenient peg.

### **Robust and Sturdy Design**

With reinforced bumpers and IP67 dust and waterproof rating, the Woodland speaker is built to withstand outdoor conditions and small accidents.

### **Preset Buttons**

Easily access your favorite stations with 3 preset buttons, each storing 2 programs (1 DAB+ and 1 FM), totaling 6 presets.

### **User-Friendly Interface**

Simplified technology and an intuitive user interface make the Woodland speaker easy for the whole family to use.

### **Bluetooth 5.1 with DAB+ and FM**

Stream your favorite music via Bluetooth 5.1 or switch to DAB+ and FM to give your smartphone a break.

### **Easy Wipe-Clean Fabric**

The soft, easy-to-clean fabric of the Woodland speaker ensures easy maintenance.

### **Clear Display**

The 128 x 32 dot matrix display is backlit and manually adjustable for clear visibility in direct sunlight.

### **Power Supply**

The Woodland speaker includes a mains power supply with an integrated rechargeable lithium battery pack for up to 14 hours of playtime.

### **Input Connectors**

USB-C for software updates and charging only.

### **Battery**

The built-in 4000mAh 3.7V 14.8Wh battery ensures long-lasting performance.
