You save £60.00

A powerful, yet compact stereo system that brings traditional audio to life in a stylish and affordable way.
Features:

- True stereo sound with two speakers (2x20W) and 4" woofers
- All the sources you need: DAB+/FM radio, Bluetooth, CD player, USB, AUX-in and headphone out
- A selection of preset EQs to suit different music tastes

Experience timeless stereo sound with the Classic Stereo Mini. Designed for those who value traditional audio formats, this compact yet feature rich micro system includes everything from CD to Bluetooth streaming. With intuitive controls, a vibrant colour TFT display, and a sleek remote, it’s easy to use and enjoy. The elegant wood finish adds a touch of style to any room, making it the perfect blend of design and performance, at an affordable price.

PRODUCT DETAILS

True Stereo Sound, Full-Body Audio
Enjoy a rich, room-filling sound with two 20W speakers and 4" woofers, delivering a powerful stereo experience from a compact system. Whether it's jazz, rock, or podcasts, everything sounds fuller and more alive.

Timeless Design, Modern Touch
Available in Cotton White/Oak or Coffee Brown/Walnut or Black, this stereo blends naturally with any space. Compact yet classy, it adds a touch of sophistication to bookshelves or cupboards.

DAB+ & FM Radio Ready
Tune into your favourite stations with crystal-clear DAB+ or classic FM. With 20 presets each, your morning shows, news, and playlists are always just a click away.

Classic CD Playback
Still love your CD collection? So do we. Pop in your favourites and let the built-in CD player bring back the warm, familiar sound of analog music—no streaming required.

Bluetooth 5.3 Connectivity
Stream straight from your phone, tablet or laptop with ultra-stable Bluetooth 5.3. Enjoy lag-free music and easy pairing every time, no cables needed.

Versatile Inputs & Headphone Jack
From AUX and USB to a dedicated headphone-out, the Classic Stereo Mini is built to work seamlessly with your setup. Whether you're connecting your turntable or enjoying a solo listening session, it's ready to go.

Bright 2.4" Colour TFT Display
See everything clearly on the vibrant display—track names, sources, radio stations, and settings are all easy to read, even from across the room. Displayed imagery (such as radio station logos or album artwork) is dependent on data broadcast by local radio stations and may vary by location.

What's in the box?

- Receiver
- 2x passive speakers (+ cables)
- Remote control (+ batteries)
- Power Cable
- Quick Start Guide
- Safety Sheet
- Feedback Flyer
