Authentic Real-Wood Craftsmanship
Unlike competitive products using faux leather or plastic, the Evoke Home II feature an authentic real-wood cabinet with modern touch-sensitive controls and an intuitive metal encoder. Crafted in Birch, Walnut, or Black, the elegant housing elevates kitchen counters, home offices, and living spaces with timeless aesthetic appeal.

Class-Leading Acoustic Performance
Deliver powerful, room-filling sound that easily outperforms other tabletop radios in its class. Powered by high-performance digital amplifiers (80W stereo on Evoke Home II), advanced Balanced-Mode Radiators (2x 2.25" BMRs), dedicated woofers, and a rear passive radiator ensure crystal-clear highs and deep, punchy bass.

Endless Entertainment & Physical CD Playback
Enjoy complete listening freedom with access to thousands of global internet radio stations and podcasts via Wi-Fi, noise-free digital DAB+, local FM, and stable Bluetooth 5.3 streaming. For lovers of physical media, the Evoke Home II features a sleek, slot-in CD player to revive your favorite disc collection.

Intuitive Universal Presets & Display
Effortlessly navigate your favorite channels without confusing sub-menus. The vivid 2.4” TFT colour screen displays sharp station artwork and track info, while the universal preset system lets you mix and store up to 150 internet, DAB+, and FM favourites in one easy-access list.

Thoughtful Daily Life Helpers
Engineered for your ultimate daily convenience, these systems feature integrated dual alarms, a sleep timer, and a dedicated kitchen timer and tactile touch buttons with audible feedback. A included remote control gives you full command from across the room.

Smart & Flexible Connectivity
Connect effortlessly to extra audio sources or external gear using physical AUX-in and dedicated USB ports. Whether listening to local files via USB drive or expanding your home setup, enjoy seamless plug-and-play versatility.
