PRODUCT DETAILS

Evoke H3 allows digital radio and wireless music streaming to be enjoyed around the home. With an impressively vivid screen, radio station artwork is now displayed in full colour. The practical user interface and large scroll wheel makes using digital radio much easier than ever before. Evoke H3 is a compact design and available in oak or walnut finishes, making it the perfect radio for kitchen, bedroom or office.

More stations, digital quality

DAB digital radio brings you a diverse range of great content in highly-detailed, digital-quality sound much of which is only available on digital radio. Digital radios automatically find all your available stations and let you select them by name, and there's also FM for any station that have not yet gone digital.

Evoke H3 is also Digital Tick approved so you can be rest assured that your radio is ready for any future FM to digital radio switchover.

Bluetooth connectivity

Use Evoke H3 as a wireless speaker with your laptop, smartphone or tablet devices. Simple to connect and control, Evoke H3 will allow you to enjoy your favourite TV shows, movies and music apps in great, full range sound.

Great sound

All aspects of the audio system have been designed to deliver outstanding sound performance for digital radio and Bluetooth music streaming. Evoke H3 uses the latest speaker technology from Pure, previously found in the premium Evoke C-D range. This speaker combined with extensive audio tuning make for great sounding voice and music.

Colour screen

Evoke H3 has a vivid and informative 2.4” full colour TFT display. The clear screen makes accessing the growing number of digital radio stations a breeze. View your favourite station’s information and slideshow artwork in full colour.

Slideshow artwork

An increasing number of digital radio stations are broadcasting artwork and programme information. Evoke H3 can display this visual content in full screen and full colour.

Simple to use

Practical user interface, a large scroll wheel along with the vivid display makes operating Evoke H3 a pleasurable experience. Browsing menus, selecting stations and adjusting settings is both simple and intuitive.

Alarm and clock

Evoke H3 includes an automatically updating clock and two alarms. With Evoke H3 you are able to wake up to your favourite radio station or tone alarm.

Additional connections

Evoke H3 includes a headphone output for private listening and an auxiliary input for connecting to any device.

ChargePAK

Evoke H3 can be powered by the supplied mains adapter or with the optional ChargePAK B1, giving you up to 30 hours of truly portable listening.

Designed and engineered in the UK

Like all our products, Evoke H3 was designed and engineered in the UK by our expert engineering teams, ensuring great sound and impressive build quality.
