PRODUCT DETAILS

S is for style

Refined but fun, the S range merges the best of sleek modern design with the joy of exciting colourful finishes. It allows the modern-day individual to appreciate the true qualities of digital radio whilst also having the presence to complement their personal living space.

The perfect bedside companion

Siesta Rise S is packed with useful features that you'll love. There's the clock which sets itself and adjusts automatically for daylight saving, a large clock display with auto-dimming so it won't keep you awake at night and a USB port, ideal for charging your mobile while you sleep. You can set different alarm times for weekdays, weekends and more thanks to three independent tone or radio alarms and there's an adjustable snooze and sleep timer too.

Quality design and sound

Unobtrusive but stylish, the compact design is sure to fit on the smallest of bedside tables. Like all our Pure digital radios, Siesta Rise S has been engineered and hand tuned by our audio experts in the UK to ensure the best possible sound and comes with a reassuring 2-year warranty as standard.

Switch on to digital radio

DAB digital radio brings you high-detail digital-quality sound, lots of stations (many exclusive to digital) and uses scrolling text to show you track titles, programme names and more. Digital radios automatically find all your available stations and let you select them by name, and all our digital radios
