PRODUCT DETAILS

Portable, easy-to-carry speaker
Its compact size fits comfortably in any hand, making it easy to grab and go. It also fits perfectly in any backpack or picnic basket!

Long battery runtime
Built in battery with up to 17hrs playtime, you simply take the Woodland Mini wherever you go.

Rich, warm sound for all types of audio
The 5W amplifier powers a 2.5" full-range driver, enhanced by a racetrack passive radiator on the back, delivering rich, warm sound for both music and spoken word at all volume levels.

Robust, sturdy design
Reinforced bumpers top and bottom, as well as dust and waterproof (IP67) gives the Woodland Mini protection when outdoors, or when exposed to weather changes and small accidents.

Preset buttons
There are 2 presets buttons, each button can store up to 20 of your favourite programmes each

(DAB+/FM). Giving a total of 40 presets.

Easy to use
By streamlining the technology and designing an intuitive user interface, the Woodland Mini is easy for the whole family to use.

Bluetooth 5.3 with DAB+ and FM
Stream all your favourites to the Woodland Mini or give your smartphone the day off and switch to DAB+ and FM.

Easy wipe-clean fabric
The Woodland Mini has been made with soft, easy to wipe clean fabric making it easy to take care of your device.

Display
The display is a 128 x 32 dot matrix display, backlit, with manual controls to enable clear visibility in direct sunlight.

Power supply + Battery
You can charge the integrated lithium battery pack (4000mAh, 3.7V, 14.8Wh) using the mains. Altogether, you get up to 14 hours of playtime.

Input connectors
USB-C for software updates & charging only
