PRODUCT DETAILS

**A Music System for Life**
Experience a compact powerhouse of information and entertainment with the Evoke Spot music system. Designed to fit on any bookshelf, this small-format companion brings essential functions and high-quality audio to your home. Whether it's the perfect background music for your home office, kitchen, or bathroom, the Evoke Spot has you covered.

**Diverse Tastes, Diverse Radio Stations**
The Evoke Spot is a smart radio system that caters to all reception types. It combines traditional FM radio, digital DAB radio, and Internet connectivity for a robust listening experience. With over 85,000 Internet radio stations and podcasts available globally, the Evoke Spot ensures you always have something to listen to, even if FM/DAB+ signals are weak.

**Listen to What You Want, When You Want**
The Evoke Spot supports streaming services like Spotify, Amazon Music, Tidal, Apple Music, and Deezer via Bluetooth, ensuring access to all your favourite content.

**User-Friendly for Everyone**
Despite its compact size, the Evoke Spot offers intuitive controls. Save favourites, skip songs, and explore settings easily with surface buttons and a foldable display under a large LCD screen. Its
