worldwide. Stream your favourite podcasts on-demand, whether it’s news, true crime, or lifestyle content, all through an intuitive and user-friendly interface.

Listen to Your Other Favourite Sources
Expand your audio horizons beyond radio: Featuring advanced Bluetooth 5.3, USB, and AUX connectivity options, this digital radio lets you enjoy music from multiple sources with ease. Streaming your favourite Spotify or Amazon Music playlists via Bluetooth, and enjoy ultimate flexibility and convenience in your kitchen or living space.

Functions That Come in Handy
Elevate your audio experience with intuitive features: Utilise the Kitchen Timer while cooking, set the Alarm to stay organised or unwind effortlessly with the Sleep Timer function. The Classic H4i makes multitasking easier, whether you're enjoying a morning podcast or winding down with your favourite music.

Fits in Every Classic or Modern Living Space
Enhance your home décor with the timeless elegance of the Classic H4i. Designed to blend seamlessly into both classic and modern living spaces, this digital radio features a compact form factor and is available in elegant Black/Ash - adding a touch of retro-modern style to any room.

Bright 2.4" Colour TFT Display
See everything clearly on the vibrant display—track names, sources, radio stations, and settings are all easy to read, even from across the room. Displayed imagery (such as radio station logos or album artwork) is dependent on data broadcast by local radio stations and may vary by location.
